

**We create an OnlyOne safety-first culture where the safety of both customers and employees stands as our utmost priority**

1. We commit to full compliance with all relevant safety laws and regulations and meet societal expectations.
2. We will instill safety policies and regulations through comprehensive education and training.
3. Our continuous efforts will focus on identifying and mitigating risk factors within the workplace.
4. We extend our support and promote shared values to guarantee suppliers' adherence to CJ policies.
